PRINCIPAL'S COMMENT

Tēnā koutou, tēnā koutou, tēnā koutou katoa Nga mihi nui ki a koutou katoa

From time to time we will consult with our school community about various issues that address aspects of our school. One such example will take place tomorrow, and will focus on intermediate (Year 7 and 8) education at Lakeview School. A form will go home to the families of our senior middle students looking at expectations for our senior class programmes. This is an opportunity to share your ideas and thoughts on what we can do to enhance what is already happening in our senior school.

At a time of the year in which many of our Year 6 families will be thinking about the two years prior to starting college we need to ensure that we have everything in place that will ensure students graduating from Year 8 are in the best possible position to start their secondary school education. Our aim is to be the first choice for our Year 6 students and families.

As always, please take the time to catch up with me when you get a chance. My door is always open. It has been great to have met so many of you already over the last two weeks.

Regards Tim Nelson

NEW ENTRANT STARTING DATES

Term 3

- 2nd intake 28 August

A reminder for those students starting in the second intake in term 3 on Monday 28th August, can begin visits as from Thursday 3rd August 9.30-10.30am. Please be advised that Jo Green (Junior Syndicate Leader) will be in contact with you.

Check out our new produce cart which was built by the Men's shed and students from our school. We will be selling our own produce from the garden and worm wee. Any leftover produce will go to our families. Thanks to Trasna and her enviro team for coming up with this great concept.
